IT'S TIME TO DIE AT RIW - A HALLOWEEN SPOOKY SPECTACLE

RIW is pleased to announce its first annual Halloween event on October 31, Halloween night. Shamble in to play board games of the macabre nature, not for the feint of heart.

Starting at 8:00 we will host a costume contest with prizes awarded to the best costumes of the night. Anthony will be making the final decision.

Immediately following the costume contest we will have a bonfire behind the store featuring Werewolf. See if you can route out evil and kill the werewolf posing as a villager.
